Car parts for KIA SPORTAGE and auto accessories cheap at ...

The 1997 model year Kia Sportage was the world's first production vehicle to be equipped with a knee airbag. This first-generation model (1993–2002) sold in low numbers, even domestically in South Korea, and models after Hyundai's 1998 partial takeover of Kia (1997–2002) were recalled twice for rear wheels dismounting while driving. The ...

Covers principles of operation, troubleshooting, maintenance and repair of the modern braking system. Information on tool selection and usage is included, plus a chapter on brake system modifications and high-performance brake parts.

Wall Street Journal and USA Today Bestselling author Ryan Michele brings a compelling motorcycle club romance where secrets, lies and betrayals explode. Secrets can destroy... Tragedy strikes the Ravage MC and Casey must return home to a family she's never really felt she fit into. The secret she carries deep inside her is sure to destroy what's left of the relationship with the one man she's loved since she was a child. GT rides hard and plays harder. The club is his blood--his legacy. He breathes for it. He'll diefor it. Causing Casey to leave him was the hardest thing he's ever had to do, but it was for the best. Except when she returns and life goes to hell, she's the one person he wants to turn to, but he doesn't know... Sometimes the pain is too much to overcome. Sometimes it consumes a person until there is nothing left. Sometimes forgiveness isn't an option. Some secrets you never come back from. *** Ravage Motorcycle Club Reading Order: 1. Ravage Me (Cruz & Princess) 2. Seduce Me (GT & Casey) 3. Consume Me (Tug & Blaze) 4. Inflame Me (Rhys & Tanner) (Dagger & Mearna) 5. Captivate Me (Buzz & Bella) (Breaker & Shaina) 6. Bound by Family (Cooper & Bristyl) (Bound #1) 7. Bound by Desire (Deke & Rylie) (Bound #2) 8. Bound by Vengeance (Ryker & Autumn) (Bound #3) 9. Bound by Affliction (Green & Leah) (Bound #4) 10. Bound by Destiny (Jacks & Emery & Micah) (Bound #5) 11. Bound by Wreckage (Nox & Carsyn) (Bound #6) 12. Connected in Pain (Crow & Rylynn) (Rebellion #1) 13. Fueled in Fire (Crow & Rylynn) (Rebellion #2) 14. Sealed in Strength (Crow & Rylynn) (Rebellion #3) 15. Connected in Code (Wrong Way & Hayden) (Rebellion #4) 16. Bound by Consequences (Coming Soon) (Bound #7) *** Ryan Michele is the Wall Street Journal and USA Today Bestselling author of over 40 romantic suspense novels. She found her passion bringing fictional characters to life, being in an imaginative world where anything is possible. Her knack for the unexpected twists and turns will have you on the edge of your seat with each page. She is best known for her alpha, bad boy bikers and strong, independent heroines who refuse to back down. When she's not writing, you can find her on her swing, watching the water ripple in the pond and daydreaming about her next book.

International Industrial Networks and Industrial Restructuring in Central and Eastern Europe analyses the role of international industrial networks in industrial restructuring and corporate growth in central Europe, Russia and Ukraine. It shows that two distinct patterns of international industrial integration - domestic vs. foreign led modernisations - have developed in these two regions which have significant effects on patterns of growth and integration of these economies. International Industrial Networks and Industrial Restructuring in Central and Eastern Europe is based on a number of industry and firm case studies which are analysed and interpreted within the current international business and political economy literature. The publication provides valuable insights to managers and policy-makers who are interested in understanding different strategic options for business activity in Central and East European countries. For the academic reader, it offers a new perspective on international, industrial networks in which theories on strategic management and on industry restructuring and corporate growth are merged into a new view of growth and transformation process.

As Toyota skids into an ocean of problems and uncertainty continues in the U.S. automotive industry, Lemon-Aid Used Cars and Trucks 20112012 shows buyers how to pick the cheapest and most reliable vehicles from the past 30 years. Lemon-Aid guides are unlike any other car and truck books on the market. Phil Edmonston, Canada's automotive Dr. Phil for 40 years, pulls no punches. Like five books in one, Lemon-Aid Used Cars and Trucks is an expos of car scams and gas consumption lies; a do-it-yourself service manual; an independent guide that covers beaters, lemons, and collectibles; an archive of secret service bulletins granting free repairs; and a legal primer that even lawyers cant beat! Phil delivers the goods on free fixes for Chrysler, Ford, and GM engine, transmission, brake, and paint defects; lets you know about Corvette and Mustang tops that fly off; gives the lowdown on Honda, Hyundai, and Toyota engines and transmissions; and provides the latest information on computer module glitches.
