A Lifetime To Share Oregon

A Lifetime to Share is an emotional journey, and I mean that in the widest sweeping sense of that word. You will run the gambit of emotions from happy and joyful to frustrated, angry and disgusted – usually at how one human can treat another human.

Jim Jordan just got the scorching of a lifetime on Twitter ...

This Thanksgiving, Michelle Preble planned to fly from her home in Clackamas County, Oregon, to Texas to share a holiday dinner with her mother and her brother, Donnie, who is in home hospice care. After a lifetime of severe epilepsy due to brain damage he suffered at birth, Donnie, 43, has been told by doctors that he does not have much time left.

When life has shown you death, can you bring yourself to love again?Eli Todd is a tall, handsome Captain of a wagon train bound for Oregon. Life has taught him if he allows people into his heart, he ends up losing them. Amelia Cruthers is a pretty young woman with a limp. She's a hard worker who starts out the trip to Oregon with her parents, until they try to leave her behind. In shock, she watches them cross a river by ferry without her.Thankfully the kind, strong Eli Todd takes her with him. Admiring her spunk and work ethic he gives her a job cooking for the crew. After a fall from his horse, Amelia tends him and he realizes she is sweetness on earth. Her parents demand he marry Amelia since she spent time alone with him, nursing him. Eli figures why not? He won't be home most of the year anyway and Amelia could have a safe place to live on his ranch. What could possibly go wrong?Amelia never thought to be married. She'd been told her hip was too hideous for a man to look upon and that she couldn't have children. Knowing that she could never be a real wife, the love she begins to feel for Eli frightens her.The distance they try to place between them doesn't work leaving them both hurt with longings that could never be fulfilled. But there are secrets and when they realize they'd been lied to; do they take the leap at a lifetime to share?

When Vows Are Said Out Of Necessity Can Love Really Grow? Susan Farr loses her parents and her home in one swoop. She takes her horse and rides to Independence Missouri to join a wagon train and start a new life. Mike Todd, the Wagon Master doesn't allow single women to have their own wagons. It causes fights and distractions. Susan solves her problem by marrying Clancy Willis in name only. Unfortunately Clancy's true nature doesn't take long to show and Susan finds herself married to a drunkard. Along the trail, once again, Susan is forced to marry another man in name only and this time it is Mike Todd. As soon as they make it to Oregon they plan to have the marriage annulled but their hearts become hopelessly entangled. Mike Todd has two brothers to raise. They are guides on the wagon train and he decided long ago he'd raise them and forget about having a wife and child of his own. Little does he know that he'd find a forever type of love.Both vow to sacrifice their hearts' desire to give the other happiness. Will they come to realize their lives and love have only just begun?

The first in an epic series of three sections of the Oregon Trail and the three love stories begin here. Beth Ann Roberts made her father a deathbed promise to be a wife to her deceased sister's husband, Daggart Bartlett. When Daggart sells the farm to join the Gold Rush, Beth must go with him, never expecting how much her life will change. Nicholas Granville is forced by his brother to help a group as they travel the Oregon Trail from Missouri to Oregon. Mourning his late wife, Nick's heart began healing the moment he saw Beth. Now, the couple must find a way to fight a love that is undeniable. The Oregon Trail Series Undeniable - Book One - a spicy sweet love story. Undesirable - Book Two - a sweet love story with a distasteful secret. Uncivilized - Book Three - a spicy sweet love story.

Nine romantic adventures take readers along for a ride on the Oregon Trail where daily challenges force travelers to evaluate the things that

are most precious to them—including love. Enjoy the trip through a fascinating part of history through the eyes of remarkably strong characters who stop at famous landmarks along the way. Watch as their faith is strengthened and as love is born despite unique circumstances. Discover where the journey ends for each of nine couples.

* Color over-view map and compact size for stashing in a pack or jacket pocket * Includes a quick guide to the hikes that lists outings by features such as walks or hikes to hidden beaches, along bay spits, to lakes, or across sand dunes * Sidebars explore the natural history, flora and fauna, and geology of the area Undulating sand dunes, primeval forests, rocky headlands, remote beaches: the wild Oregon coast is impossible to resist. In this updated guide, Bonnie Henderson points you to the 120 best outings in the region, from the Columbia River in the north to the Winchuck River in the south, right by the California coast. Hikes range from an easy beach walk to a multi-day trek of the Oregon Coast Trail. For each outing, you'll find clear driving directions along with a comprehensive trail description covering distance, difficulty, terrain, best time to go, and more. You'll find suggestions for other outdoor activities, such as tidepooling, cycling, wildlife viewing, and camping, to help make the most of your time at the beach.

ONE OF THE BEST BOOKS OF THE YEAR: THE NEW YORK TIMES • NPR • THE GUARDIAN From pole to pole and across decades of lived experience, National Book Award-winning author Barry Lopez delivers his most far-ranging, yet personal, work to date. Horizon moves indelibly, immersively, through the author's travels to six regions of the world: from Western Oregon to the High Arctic; from the Galápagos to the Kenyan desert; from Botany Bay in Australia to finally, unforgettably, the ice shelves of Antarctica. Along the way, Lopez probes the long history of humanity's thirst for exploration, including the prehistoric peoples who trekked across Skraeling Island in northern Canada, the colonialists who plundered Central Africa, an enlightenment-era Englishman who sailed the Pacific, a Native American emissary who found his way into isolationist Japan, and today's ecotourists in the tropics. And always, throughout his journeys to some of the hottest, coldest, and most desolate places on the globe, Lopez searches for meaning and purpose in a broken world.

On a trail of danger, love follows no set path. Traveling west aboard a wagon train with her late husband's family, young widow Marybeth MacKender wishes only to leave behind the memories of her loveless marriage, and to protect her infant son. But the dangers of the train are endless, as are the advances of her brutish brother-in-law who is resolute in claiming Marybeth as his own. It isn't until Marybeth meets Joshua Rivers, a frontiersman both tough and tender, that her hope for the future ignites as brightly as the desire in her heart. With courage aroused by passion, Marybeth is determined to face the perils of this rugged terrain for Joshua and the love she feels as great as the odds stacked against them.

"Thrilling, tender, utterly absorbing . . . Every chapter shimmered with truth. It's an unforgettable debut." --Cheryl Strayed From travel writer Jedidiah Jenkins comes a long-awaited memoir of adventure, struggle, and lessons learned while bicycling the 14,000 miles from Oregon to Patagonia. On the eve of turning thirty, terrified of being funneled into a life he didn't choose, Jedidiah Jenkins quit his dream job and spent the next sixteen months cycling from Oregon to Patagonia. He chronicled the trip on Instagram, where his photos and profound reflections on life soon attracted hundreds of thousands of followers and got him featured by National Geographic and The Paris Review. In this unflinchingly honest memoir, Jed narrates the adventure that started it all: the people and places he encountered on his way to the bottom of the world, and the internal journey that prompted it. As he traverses cities, mountains, and inner boundaries, Jenkins grapples with the questions of what it means to be an adult, his struggle to reconcile his sexual identity with his conservative Christian upbringing, and his belief in travel as a way to "wake us up" to life back home. A soul-stirring read for the wanderer in each of us, To Shake the Sleeping Self is an unforgettable reflection on adventure, identity, and a life lived without regret.
