Woman's Struggle to deal with the fall-out of her forbidden desires. The world of Addicted is continued in the New York Times bestseller Nervous, and Zane's highly-anticipated upcoming novel Vengeance, available May 24, 2016. For successful businesswoman Zoe Reynard, finding the pleasure she wants, the way she wants it, is not worth the risk of losing everything she has: a charmed marriage to her childhood sweetheart, a thriving company, and three wonderful children. But Zoe feels helpless in the grip of an overpowering addiction—to sex. After finding a compassionate therapist to help her, Zoe finally summons the courage to tell her torrid story, a tale of guilt and desire as shocking as it is compelling. From the sensitive artist with whom she spends stolen hours on ruffled sheets, to the

rough and violent man who leads her toward destruction, Zoe is desperately searching for fulfillment—and, perhaps, something darker and deeper. As her life spins out of control and her sexual escapades carry her toward a dangerous fate, Zoe races to uncover the source of her “fatal attraction.” Chilling secrets tumble forth and perilous temptations build toward a climax that could threaten her sanity, her marriage—and her life.

From the Queen of Erotica, Zane’s Addicted with a Twist is the sequel to Addicted, her wildly popular novel about a married woman whose life spirals out of control when her three affairs lead her down a dark and twisted path, now a major motion picture distributed by Lionsgate. Three years after the end of Addicted, Zoe

and Jason Reynard are still married and raising their family together. But Zoe has a new "dirty little secret" that leaves her torn between being honest with her therapist, Dr. Marcella Spencer, and her mother—or continuing her forbidden hotel rendezvous with a man who calls himself "Orpheus." Has Zoe truly overcome her sexual addiction through the strength of her love for her husband and continued therapy? Or is she still jeopardizing everything and everyone she holds dear in order to satisfy her fantasies?
