This landmark historical text delivers the goods promised in its title. It does not address flamenco dance whatsoever, focusing instead on flamenco song forms with a special chapter devoted to the role of the guitar. Includes Spanish lyrics for dozens of flamenco songs along with English translations and interpretive notes, a glossary of flamenco terminology, plus a recommended bibliography and discography are also provided. Informal in its demeanor, this carefully researched, insightful book will help you develop a deeper appreciation for the flamboyant art of flamenco.

Treuer, an Ojibwe scholar and cultural preservationist, answers the most commonly asked questions about American Indians, both historical and modern. He gives a frank, funny, and personal tour of what's up with Indians, anyway.

There is probably no guy in this world who hasn't wished he was bigger. Almost every guy feels that he would be a lot happier if, and only if, his penis was just an inch or two longer. This is probably why there is a huge market for penis enlargement products. Pills, devices, supplements, surgery - the list just goes on and on. Every few days a new product is launched, promising to increase your penis size. But the question is - Do these products actually work? Some do, but most don't. Many of the products on the market are just ways to get your money, and that's all. In fact, many of them can actually cause serious problems, such as erectile dysfunction. So, does that mean there is nothing you can do to increase your size? That's also not true. There is a lot that you can do to increase the size of your penis. You can try exercises. You can try herbs. There are certain vitamins and minerals you can include in your diet. You could also try a few devices available in the market that promise to increase your size. And if nothing really works, you could consider surgery as a last option. Let's discuss some of the natural methods for penis enlargement.

Sex being a taboo in our society, it restricts us from discussing the subject openly. As a result, several misconceptions and myths have gained currency. The book throws light on the subject dispelling several myths associated with it. Backed by apt illustrations it will prove to be informative, educative and enjoyable reading material. This book describes threadbare the entire gamut of sexual artistry, with references from celebrated sex manuals like Kamasutra and other proven texts on the subject.
