~~Audi A6: Used car buying guide | What Car?~~

The Audi A6 Avant is a formidable estate car. It's comfortable, refined, available with a wide range of options, and it's faster and more efficient than previous generations. As a result, it's a very desirable car. If you're thinking about buying one, however, the vast array of options may be a little confusing.

The complexity of the car should be enough to ensure you insist on an A6 with a cast-iron service history and, at this stage, Audi dealers are still likely to have the best examples. The premium they charge may be well worth your peace of mind. Interiors are hard wearing and well designed, much like the rest of the car.

The Audi A6 allroad enjoys something of a cult following. The most recent model, sold between 2012 and 2018, caught on with drivers who want a luxury family car that can do almost everything a Range Rover does while discreetly slipping into the crowd.. Little wonder then, that owners have included Prince Charles.
