As the worldwide prayer movement continues to flourish, never before have so many Christians from so many faith traditions joined together to intercede for so long--in their homes, in their churches, in their communities. As the prayer movement continues to explode, leaders emerge to give guidance to the growing number of intercessors . . . and Alice Smith is at their forefront, leading the leaders who have lifted the banner of passionate, effective intercessory prayer for this generation and the next. In *Beyond the Veil*, Smith proclaims God's call for His people to pray and shares what she has learned on her own journey toward deeper intimacy with God through prayer. Whether readers are new to intercession or are veteran prayer warriors, they will discover sound, biblical methods for binding the enemy and loosing the Holy Spirit in their families, churches, and nations. Each chapter includes questions and prayer exercises, with a corresponding devotional to bring the principles of intercession to life, making *Beyond the Veil* the essential guidebook for the prayer revival that is sweeping the globe.

Many in the Church are waiting with expectation for the second coming of Christ. The parable of the wedding feast in Matthew 22 tells us that the Church, the Bride, was invited to the wedding but didn't come. In 2 Thessalonians, Paul warns that the second coming would be preceded by a "great falling away" and Matthew 24 says that if these days were not cut short then even the elect could be deceived. With thousands of Christian denominations preaching a different gospel, let us examine Scripture from the earliest perspective, which is that of the Early Church. The Early Church Fathers were the spiritual sons of the apostles, who learned directly from Jesus. They tell us what the end would be like and unlock the deeper meanings of Scripture. While many today are waiting to be "raptured," these apostolic men believed that the glory of God would first manifest in His Church. The apocalypse, often misunderstood to mean the end of the world, is simply two Greek words put together: apo (to destroy) and kalypto (the veil). The Book of Revelation is about destroying the veil to enter back into the glory of God. These revelatory teachings were passed down and preserved for hundreds of years, yet for the most part the opposite is being taught in the body of Christ today. Jesus tells us in Matthew 17 that "Elijah is coming and will restore all things." This Elijah spirit is upon us now to make the way straight through revelatory teaching of Scripture and to bring the fear of the Lord back to wake up the sleeping Church while there's still time. The Early Church taught that without Elijah preparing and sealing the Church not one would be saved. At the same time, under the leadership of the Catholic Church, a second sealing is taking place, with all major Christian denominations coming into covenant with Islam, Buddhism, and Hinduism, saying there are many ways to God. The great apostasy is here, but nothing will stop this final move of God. The world will see a full restoration of His glory on Earth as it is in heaven. Through revelation, or an apocalypse, let us step behind the veil to have full access to the glory of God and His redemptive plan for us as His children. For the earth will be filled with the knowledge of the glory of the LORD, as the waters cover the sea (Hab. 2:14).

Though the Serbian pack has been brought to heel thanks to the downfall of their Alpha, the war is far from over. Desdemona, a witch of unfathomable power, has escaped the wolves' wrath, but she will not go quietly into the night. She takes refuge in a place where even the smallest sliver of light does not dare to enter. Though she had to flee, she has not given up on the treasure she wishes to acquire. Her depravity knows no bounds; she's even willing to search for the one who can assist her in opening a Veil that has not been opened in millennia - with good reason: the danger is incalculable. Meanwhile, there are major changes rippling through the Romanian Grey wolves. Decebel has become Alpha to the Serbian pack in an effort to begin to unite the *Canis lupis* species. Their numbers are dwindling in the wake of the shortage of true mates and lack of offspring. The wolves are beginning to lose faith and darkness seems to be crashing in on them from all sides. But the winds of change are blowing, changes that will alter the future of not only the *Canis lupis*, but of another ancient race as well. Amidst all of this, Sally is continuing to come to terms with her relationship with the playful, charming, flirty, unbelievably handsome bartender - who happens to be a member of the Romanian pack. If all that weren't enough, the Fates have decided to pay a little visit to Jen. It's time to collect. She cheated the Fates of a life, her life. Now they want what they are due. The problem? It's more than Jen is willing to pay. Yes, the war is indeed far from over. Bargains will be struck, declarations will be made, sacrifices will be given, love will be tested, and trust will be questioned as evil makes its stand against them all.

In 1920s Los Angeles, Letitia Hawking inhabits the veil between life and death. Using her scrying bowl to experience the final moments of the deceased, Letitia brings what little closure she can to her clients, allowing them to move on with their lives. Grief-stricken war widows and mourning families find peace when they visit Letitia. She knows no such peace. For Letitia, it's penance. For Alasdair Driscoll, Letitia's abilities offer the chance to save his beloved niece, Finola, from her nightmares and-as he fears-her growing insanity. But when Letitia sees a shadowy figure attached to the Driscoll family, old fears of her unspeakable past in England surface. She refuses to help him, despite his money and insistence. Instead, Letitia finds herself facing a father whose young daughter has been kidnapped-the third girl to have gone missing in as many months. Evading a determined Mr. Driscoll, a man used to getting his way, proves difficult. And as the darkness creeps in, Letitia makes the connection between the missing girls and Finola: the shadows haunting her visions. Letitia thought she could find refuge in a new, burgeoning city, far from her past. But she'll discover that unless she helps Mr. Driscoll rid his niece of her nightmares, the shadows will haunt Letitia-risking not only her newfound sanctuary but also her very sanity.

Shortly before Jesus died on the cross, the Judean governor Pilate mocked the concept of finding an exclusive set of facts that would be applicable to all mankind. He did so with the simple yet provocative and sarcastic statement, "what is truth?" (John 18:38) This taunt has continued down through the ages. In modern times, absolute truth is a touchy subject in our current climate of moral relativism. But there is no getting around it: the bible claims that such truth exists. Jesus was straightforward with Pilate, telling him, "You say rightly that I am a king. For this cause I was born, and for this cause I have come into the world, that I should bear witness to the truth. Everyone who is of the truth hears My voice" (John 18:37). Instead of "what is truth?", Pilate's question should have been "what if it's true?" God welcomes open-minded questions. In fact, honest questions are part of human nature and God's Word holds up to scrutiny. Honest would be the key word here, because many people come to the bible with incorrect and immovable preconceived notions. Others will not even make time to check out the truth of Christianity. Are you an honest seeker? Would you like to open-mindedly examine the scandalous yet wonderful claims found in the Bible? If so, then you are ready to peer behind the veil and into the revealed wisdom of God.

Beggars-Outcasts-Homeless Such were the forgotten, uneducated children in China when the Spirit of God fell upon their humble orphanage, the Adullam Home. The boys spent days in powerful meetings, praying and praising God. Under the anointing of the Holy Spirit, they prophesied, saw visions, and discovered: Angels-how they operate and protect us Unbelievers-and their fate Heavenly occupations-what our jobs will be Paradise-revealed through the eyes of children The throne of God-experiencing true worship Death-what happens when we die Demons-and their evil works This mighty outpouring was a fulfillment of God's promise: "And it shall come to pass in the last days, saith God, I will pour out of My Spirit upon all flesh: and your sons and your daughters shall prophesy, and your young men shall see visions." Acts 2:17
