Why don't you attempt to acquire something basic in the beginning?

Christian Paths To Health And Wellness

Christian Paths to Health and Wellness is significantly different than most health textbooks in that it expects students to not just learn the material, but to also apply it, especially through a fitness program. In a homeschool context, it should work best for self-motivated students who are able to work through the text independently.

This field-tested guidebook presents Benedictine spirituality and monastic spiritual practices as a source of wisdom and practical guidance for Christian formation today.

Under the broad umbrella of the Christian religion, there exists a great divide between two fundamentally different ways of thinking about key aspects of the Christian faith. Eugene Webb explores the sources of that divide, looking at how the Eastern and Western Christian worlds drifted apart due both to the different ways they interpreted their symbols and to the different roles political power played in their histories. Previous studies have focused on historical events or on the history of theological ideas. In Search of the Triune God delves deeper by exploring how the Christian East and the Christian West have conceived the relation between symbol and experience. Webb demonstrates that whereas for Western Christianity discussion of the doctrine of the Trinity has tended toward speculation about the internal structure of the Godhead, in the Eastern tradition the symbolism of the Triune God has always been closely connected to religious experience. In their approaches to theology, Western Christianity has tended toward a speculative theology, and Eastern Christianity toward a mystical theology. This difference of focus has led to a large range of fundamental differences in many areas not only of theology but also of religious life. Webb traces the history of the pertinent symbols (God as Father, Son of God, Spirit of God, Messiah, King, etc.) from the Hebrew Bible and New Testament through patristic thinkers and the councils that eventually defined orthodoxy. In addition, he shows how the symbols, interpreted through the different cultural lenses of the East and the West, gradually took on meanings that became the material of very different worldviews, especially as the respective histories of the Eastern and Western Christian worlds led them into different kinds of entanglement with ambition and power. Through this incisive exploration, Webb offers a dramatic and provocative new picture of the history of Christianity.

First of its kind publication promotes a spiritual dialogue between Christian and Muslims.

Author Sherri Self has a desire to see everyone become followers of Jesus Christ and for them to know who they are in Christ. She encourages Christians to grow in their walk with Jesus and for them to become successful in choosing their lifes paths with Gods help. In Choosing Lifes Paths, she offers advice on that journey. She shares how to lean on the Lord for his direction by first discovering who Jesus is and understanding what it is to be a Christian. Sherri explores the choices and the results and how the Holy Spirit guides Christians down the paths that lead to victory. Filled with extensive scripture, this guide helps those who desire to: Be forgiven and forgive Believe and not doubt Be encouraged Know there is always hope Conquer fear Find peace and joy Receive Gods help Choosing Lifes Paths is for those who desire a more balanced, and fulfilled life and reveals ways to achieve these outcomes. It addresses needs and inspires all to seek the Lords will and timing in life and to align themselves with Gods plans.

In this heartfelt and inspiring work, renowned author and spiritual teacher Elizabeth Clare Prophet brings alive the insights, visions and revelations of the Christian mystics and shows that they are as relevant today as they have ever been. Mysticism, she explains, is not merely a belief or philosophy but an experience that transforms the soul. As she unfolds the experiences and threefold path of the Christian mystics, you will learn about the indwelling presence, the Christ within, and your divine identity as well as what the mystics had to say about the dark night, soul testing and trials, and the living flame of love. You will explore the mystics' practices of contemplation, interior and spoken prayer, and visualization. Elizabeth Clare Prophet also shares her own profound perspectives on the mystics' personal relationship with God and describes how you can walk the mystic path today with the saints and mystics as your mentors and guides. Becoming God is one of a series of books by Elizabeth Clare Prophet on the mystical paths of the world's religions.

A unique mix of memoir and how-to that includes practical daily Pagan rituals, this inspiring book shows how one woman blended Christian traditions with the magic and beauty of a Wiccan practice. Raised in the Catholic faith, yet strongly drawn to Paganism, Adelina St. Clair spent many years questioning and soul-searching before she found a way to blend aspects of Wicca and Christianity into a vibrant and loving belief system. Filled with personal anecdotes, this book tells the story of St. Clair's journey of self-discovery and revelation, from her initial fear and guilt to her ultimate sense of peace and joy. With warmth and heartfelt reverence, St. Clair discusses vital aspects of Witchcraft and Christianity, as well as the commonalities between the two. Monotheism vs. polytheism Magical practice The teachings of Christ Goddess worship The femininity of God The Wheel of the Year Praying the rosary Sacred space

A MEETING OF MYSTIC PATHS offers a daring look at Christianity through the eyes of yoga philosophy. It honors the mystery of Jesus while offering dazzling new possibilities for further spiritual development.
