A haunting and psychologically driven collection from Shirley Jackson that includes her best-known story "The Lottery" At last, Shirley Jackson's "The Lottery" enters Penguin Classics, sixty-five years after it shocked America audiences and elicited the most responses of any piece in New Yorker history. In her gothic visions of small-town America, Jackson, the author of such masterworks as The Haunting of Hill House and We Have Always Lived in the Castle, turns an ordinary world into a supernatural nightmare. This eclectic collection goes beyond her horror writing, revealing the full spectrum of her literary genius. In addition to Come Along With Me, Jackson's unfinished novel about the quirky inner life of a lonely widow, it features sixteen short stories and three lectures she delivered during her last years. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

A haunting and psychologically driven collection from Shirley Jackson that includes her best-known story "The Lottery" At last, Shirley Jackson's "The Lottery" enters Penguin Classics, sixty-five years after it shocked America audiences and elicited the most responses of any piece in New Yorker history. In her gothic visions of small-town America, Jackson, the author of such masterworks as The Haunting of Hill House and We Have Always Lived in the Castle, turns an ordinary world into a supernatural nightmare. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators. From the Trade Paperback edition.

Shirley Jackson's chilling second novel, based on her own experiences and an actual mysterious disappearance Seventeen-year-old Natalie Waite longs to escape home for college. Her father is a domineering and egotistical writer who keeps a tight rein on Natalie and her long-suffering mother. When Natalie finally does get away, however, college life doesn't bring the happiness she expected. Little by little, Natalie is no longer certain of anything—even where reality ends and her dark imaginings begin. Chilling and suspenseful, Hangsaman is loosely based on the real-life disappearance of a Bennington College sophomore in 1946. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

"When the Halloran clan gathers at the family home for a funeral, no one is surprised to see peculiar Aunt Fanny wander off into the garden. But she returns reporting an astonishing vision : her late father has appeared to her and given the exact date of an imminent apocalypse, from which only the Hallorans and their hangers-on will be spared. Soon the family is engulfed in growing madness, fear, and violence. Lost in machinations and belief in a coming paradise, they prepare for the terrible storm they are sure will bring this new world - beautiful and for them alone"--From back cover.

THE STORY: The home of the Blackwoods near a Vermont village is a lonely, ominous abode, and Constance, the young mistress of the place, can't go out of the house without being insulted and stoned by the villagers. They have also composed a nasty s

The greatest haunted house story ever written, the inspiration for a 10-part Netflix series directed by Mike Flanagan and starring Michiel Huisman, Carla Gugino, and Timothy Hutton First published in 1959, Shirley Jackson's The Haunting of Hill House has been hailed as a perfect work of unnering terror. It is the story of four seekers who arrive at a notoriously unfriendly pile called Hill House: Dr. Montague, an occult scholar looking for solid evidence of a "haunting"; Theodora, his lighthearted assistant; Eleanor, a friendless, fragile young woman well acquainted with poltergeists; and Luke, the future heir of Hill House. At first, their stay seems destined to be merely a spooky encounter with inexplicable phenomena. But Hill House is gathering its powers—and soon it will choose one of them to make its own. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

A seemingly ordinary village participates in a yearly lottery to determine a sacrificial victim.

The compelling novel that began Shirley Jackson's legendary career Pepper Street is a really nice, safe California neighborhood. The houses are tidy and the lawns are neatly mowed. Of course, the country club is close by, and lots of pleasant folks live there. The only problem is they knocked down the wall at the end of the street to make way for a road to a new housing development. Now, that's not good—it's just not good at all. Satirically exploring what happens when a smug suburban neighborhood is breached by awful, unavoidable truths, The Road Through the Wall is the tale that launched Shirley Jackson's heralded career. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

For the first time in one volume, a collection of Shirley Jackson's scariest stories, with a foreword by PEN/Hemingway Award winner Otessa Moshfegh After the publication of her short story "The Lottery" in the New Yorker in 1948 received an unprecedented amount of attention, Shirley Jackson was quickly established as a master horror storyteller. This collection of classic and newly reprinted stories provides readers with more of her unsettling, dark tales, including the "The Possibility of Evil" and "The Summer People." In these deliciously dark stories, the daily commute turns into a nightmarish game of hide and seek, the loving wife hides homicidal thoughts and the concerned citizen might just be an infamous serial killer. In the haunting world of Shirley Jackson, nothing is as it seems and nowhere is safe, from the city streets to the crumbling country pile, and from the small-town apartment to the dark, dark woods. There's something sinister in suburbia. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Best known for her short story "The Lottery" and her novel The Haunting of Hill House, Shirley Jackson produced a body of work that is more varied and complex than critics have realized. In fact, as Darryl Hattenhauer argues here, Jackson was one of the few writers to anticipate the transition from modernism to postmodernism, and therefore ranks among the most significant writers of her time. The first comprehensive study of all of Jackson's fiction, Shirley Jackson's American Gothic offers readers the chance not only to rediscover her work, but also to see how and why a major American writer was passed over for inclusion in the canon of American literature.
