This time, the X-Venture Xplorers ' are in the Permian - Carboniferous eras, around 350 million years back. Many creatures which are small today were very big back then- which presents a big problem when the X-Venture Xplorers come face to face with things like giant spiders! Even more big dangers from today ' s small creatures await the team as they quickly realize that it is a bad idea to be PLAYING IN THE PERMIAN!

Each bright, vibrant Explorers title features a series of beautiful, child-friendly, story-based scenes - easy to read but with a wealth of detail and plenty to look for - partnered by photographic spreads giving more in-depth information. There's a fun extra element: coloured buttons throughout the book allow readers to jump about through the book and find connections between topics -connections that are neatly summarised at the end of each book.

Travel back in time and discover facts you never knew about dinosaurs and prehistoric life in this fourth installment of The Secret Explorers. This group of brilliant kids comes together from all four corners of the globe to fix problems, solve mysteries, and gather knowledge all over the planet - and beyond. Whenever their help is needed, a special sign will appear on a door. They step through to the Exploration Station and receive their mission... In The Secret Explorers and the Jurassic Rescue, dinosaur expert Tamiko and geology expert Cheng travels back to the age of the dinosaurs in an effort to rescue a dinosaur egg from destruction. However, to save the egg, the Secret Explorers first have to use all their courage and skills to outsmart a fierce Allosaurus, rescue a baby Stegosaurus, and find a way to attract an Archaeopteryx. Tamiko and Cheng soon find that to succeed, they need to come up with some unusual solutions...Packed with fun illustrations and facts about dinosaurs, fossils, and why modern birds are dinosaurs, this thrilling adventure is perfect for young readers. Also available as an audiobook, narrated by actor Alfred Enoch.

Plunged way back into the past, Rain, Emily, and the rest of the Dinosaur Explorers, continue to make their way back to the present, but first they must take the plunge and submerge themselves into the prehistoric oceans. What they find is that the weightlessness of the water caters to larger creatures, sometimes bigger than dinosaurs themselves! Here they must dodge carnivorous ancient dolphins, elude massive crocodile creatures, and essentially do their best to survive. But it ' s also possible that they may even find some undersea friends. One thing is for certain, the Dinosaur Explorers are in way over their heads! Will they sink or swim?

Travel back in time to an age when dinosaurs walked the earth! 3-D Explorer: Dinosaurs takes kids on a spectacular journey through the prehistoric world, teaching them about the lives of the reptiles that once ruled our planet. 3-D Explorer: Dinosaurs offers kids a window into the early days of our planet. A fun and interactive 3-D tour, it features stunning pop-up scenes that reveal the lives of the mighty Stegosaurus, Raptor, Megasaurus, and other fascinating dinosaurs. Unique transparent layers give readers a glimpse of the unusual habitats of these prehistoric creatures. Kids will discover how dinosaurs evolved from small predators to the largest land animals of all time, and then meet the fierce reptiles of the oceans and the skies. Imagine a time when the Triceratops walked the earth. When the roar of the Brontosaurus could be heard for miles. When the Pterosaurs soared through the skies. Millions of years ago, these magnificent creatures roamed the same lands we now live in. It's a time that now seems impossibly far away in the past--but there are ways to understand what life was like in that prehistoric era. Covering the Triassic period to the Jurassic period and everything in between, 3-D Explorer: Dinosaurs is packed with eye-catching images and intriguing facts about the daily lives of dinosaurs.
