Rates of organ donation lag far behind the increasing need. At the start of 2006, more than 90,000 people were waiting to receive a solid organ (kidney, liver, lung, pancreas, heart, or intestine). Organ Donation examines a wide range of proposals to increase organ donation, including policies that presume consent for donation as well as the use of financial incentives such as direct payments, coverage of funeral expenses, and charitable contributions. This book urges federal agencies, nonprofit groups, and others to boost opportunities for people to record their decisions to donate, strengthen efforts to educate the public about the benefits of organ donation, and continue to improve donation systems. Organ Donation also supports initiatives to increase donations from people whose deaths are the result of irreversible cardiac failure. This book emphasizes that all members of society have a stake in an adequate supply of organs for patients in need, because each individual is a potential recipient as well as a potential donor.

"Love Letters from Missouri" is a human interest story of a young Missouri doctor, Dr. Samuel Ayres, who joined the general exodus of 1850 to the gold fields of California in the pursuit of riches. As promised to his wife, Samuel faithfully writes letters describing his day-to-day adventures of the trail, including brief encounters with Indians, successful treatment of numerous chases of cholera along the Platte river between Fort Kearney and Fort Laramie, and celebrating the third anniversary of the establishment of the Great City of Salt Lake. Frequently he mentions his loneliness and heartbreak being away from his wife Priscilla and their two small boys, of concern for his own personal safety and of his extreme disappointment in the deteriorated conditions and lack of opportunities found in California on his arrival. Following only one actual day of labor in the gold fields, Dr. Ayres succumbed to illness and tragically dies November 19, 1850, six months and one week after his departure from his Missouri wife and family.
