TO DREAM THAT YOU BETRAYED SOMEONE. If in your dream, you appear committing a betrayal, an act of infidelity , your mind may be revealing your uncertainty when in the relationship you live and a sense of guilt. It is possible that you are internalizing the desire to end this relationship, but you guard for yourself, and your subconscious has transformed that hidden desire into dreams. It may ...

If you dream of being betrayed by a specific person in your life then this not only suggests that you fear being betrayed but it also suggests that there is a specific person that you are doubtful of. You need to be wary of these emotions, because when you are set out to prove the worthlessness or shadiness of a person, then the only evidence you will be able to come up with is evidence that ...

Ever dreamed of being a rock & roll star? Emari Sweet has...and now she's living the dream...the life of a rocker babe in an elaborate memory weave constructed by Dream Weaver, Sabre James. But her rock star world crashes around her and she returns to reality and the memories of Nick and his betrayal. Thomas, the Nightmare Wraith, returns to haunt their minds and twist their dreams. Even Eddyson, E's trusty teddy-beagle pup can sense the Wraith's presence. And Thomas is not alone. He's brought a friend with him this time.... an old friend of Sabre's, who seeks retribution for the death of his beloved sister at Sabre's hands. Emari faces her own mortality at the hands of this vengeful Wraith.

The host of a nationally syndicated radio talk show argues that the black community must return to religious faith and grass-roots political action to restore morality, self-respect, and self-government in the inner cities. 25,000 first printing. \$20,000 ad/promo.

While Drake is in jail, Cream takes over his operation. Cream's main focus is making Dream his woman. He reminds Dream of Drake in more ways than one. In Drake's absence, Cream has become Dream's protector. He is her rock and support system in her time of need. Most of all, Cream has stepped up and helped her out with the kids. Does Dream give into the temptation because she is lonely? Will Cream replace Drake? Mega finally conquers Mercy, but will it cost him his life? Mercy's deep, dark secret is the reason why she has been pushing him away. When Mega finds out what Mercy has been up to, will he forgive her? Or will he put a bullet through her skull? Quay is living the good life. He is fast and free until he finds out his on-again-off-again girlfriend, Yesi, is a snitch. She has been giving information to their enemies. Will The Cartel spare her life when they find out? Or will they kill her in cold blood? After months of separation, Drake finally comes face to face with Cream. He's furious. Murder is on his mind and his finger is on the trigger. Does Drake kill Cream like he promised? Or does he have a change of heart? Secrets, betrayal, lies, and more babies. Dream & Drake 4 will blow your mind!

October 21, 1982. Three singers stand on the steps of the High Court with large cheques and broken dreams. The women are Annie (Annabel Leventon, the book's author), GB (Gaye Brown), and Di-Di (Diane Langton). Their dream was of a British three-woman rock band, unique and different from anything that had gone before. They called themselves Rock Bottom. They were raunchy, rude and hilarious - the contemporary media described them as 'a cross between the female Rolling Stones and the female Marx Brothers' - and they nearly made it. Until Thames Television stole everything and made a major award-winning series called Rock Follies, about them, based on them, but without them. It made stars of the three lookalikes playing them. And they lost everything. A common enough tale of showbiz betrayal. Except that they fought back. At the offset of the Court trial, the Head of Drama at Thames TV sarcastically quipped, 'three little actresses against the might of EMI?' Forget it, the three ladies were told. Move on. They didn't. They took the case to the High Court and won. Breach of Confidence is now on the Statute Books and it has become one of the defining cases in Intellectual Property. The Real Rock Follies is a real-life story of youthful trust betrayed, dreams of stardom dashed and cruel lessons learnt. The three girls, then in their late twenties, learned too late that in the harsh showbiz world you can hardly trust anyone, not even your friends. However, despite everything, they got the last laugh. Their promising career couldn't be returned to them but they enjoyed the huge satisfaction (both emotional and financial) that the ruling confirmed that the creative concept behind Rock Follies was fully theirs.

Centers around the activities of Belacqua, a precursor of the playwright's more mature Molloy

Three generations of the Del Pino family--Cuban expatriates--play out their dreams and dramas in Havana, Brooklyn, and the Cuban seaside in the years between 1972-1980. Reprint.

Scare of the Light: The Dream Memoirs of Russell Banks is a spiritual fantasy novel, with a touch of life's gritty reality. Dreams are not really what they seem to be. In the Way World, anything you've ever dreamt of is possible. What if you only dream of one place night after night? The Way World is under attack from the Demos led by their all-powerful ruler, Glöki. The one who governs the Way World is Emeral the Light. She was displaced from the lighthouse over hate and jealousy!

Jeff Buckley drowned in a branch of the Mississippi River on May 29,1997 -- the same day his band was to join him in Memphis to begin recording his eagerly anticipated second album. With his death, a rock legend died stillborn, leaving behind scattered musical works in progress, a reputation for electrifying performances, and memories of a voice that flowed effortlessly up and down five octaves in a style that made even other musicians' lyrics and melodies uniquely his own. He also left behind Grace, a recorded collection of ten songs whose power, range, and haunting beauty were equal to anything that had been put on vinyl or CD in decades. Jeff Buckley was thirty years old on that final, tragic day -- just two years older than was the errant father whom Jeff rejected for rejecting him, whose heart was stopped by heroin more than twenty years before: the brilliant, troubled troubadour of the sixties Tim Buckley. Based on interviews, many exclusive, with more than a hundred associates of both men, and letters, journals, and unreleased recordings, Dream Brother is a true story of twisting roads and bizarre parallel destinies. A double portrait of the musical life, it offers a fascinating and illuminating look at two eras of popular sound -- and explores the alluring starmaker machinery that aged Jeff and betrayed Tim. It is the story of the music, capturing in words the aural magic, the virtuosic experimentation, the wild, exhilarating rush. But first and foremost, it is the intimate, heartbreaking, and unforgettable story of two musicians blessed with consummate ability, each poised on the brink of stardom when the maelstrom dragged him down-a son searching for his father, a father searching for his soul, each pursuing the same demanding and dangerously seductive muse. Alternately sad and elating, riveting and revelatory, Dream Brother offers a stunning new understanding of the Buckley tragedies and legacies while brilliantly humanizing the Buckley myth. And it stands as a clear-eyed yet loving and compassionate memorial to the conflicted, self-effacing genius of Jeff and his wild rebel father, Tim, both of whom, for the briefest of moments, blazed brighter than all the other stars in the rock heavens.
