~~Framework For Integrated Reporting And~~

~~The International Integrated Reporting Framework is used to accelerate the adoption of integrated reporting across the world. Integrated reporting applies principles and concepts that are focused on bringing greater cohesion and efficiency to the reporting process, and adopting ‘integrated thinking’ as a way of breaking down internal silos and reducing duplication.~~

~~International <IR> Framework | Integrated Reporting~~

~~An integrated report sets out how the organisation’s strategy, governance, performance and prospects, which lead to the creation of value. There is no benchmarking for the above matters and the report is aimed primarily at the private sector but it could be adapted for public sector and not-for-profit organisations. The primary purpose of an integrated report is to explain to providers of financial capital how an organisation creates value over time.~~

~~The integrated report framework | ACCA Global~~
