François Grosjean - Wikipedia

Description Whether in family life, social interactions, or business negotiations, half the people in the world speak more than one language every day. Yet many myths persist about bilingualism and bilinguals. In a lively and entertaining book, an international authority on bilingualism explores the many facets of life with two or more languages.

Francois Grosjean - Book Depository

Francois Grosjean | Université de Neuchâtel
This article presents a general overview of the adult bilingual individual. First, the bilingual is defined and discussed in terms of the complementary principle, i.e. the fact that bilinguals acquire and use their languages for different purposes, in different domains of life, with different people.

The bilingual individual | Francois Grosjean

François Grosjean received his degrees up to the Doctorat d'Etat from the University of Paris, France. He started his academic career at the University of Paris 8 and then left for the United-States in 1974 where he taught and did research in psycholinguistics at Northeastern University, Boston. While at Northeastern he was also a Research Affiliate at the Speech Communication Laboratory at ...
