Prepositions - Deutsch 101-326

Prepositions in German Prepositions are used as a union between a noun, verb or adjective with another noun, verb, adjective or adverb. The use of one preposition determines the case used for nouns, articles, adjectives and pronouns. 1 Prepositions with Accusative

Prepositions in German

The German language also has specific prepositions that always take the accusative and others the dative case. Plus, there are some instances where you have to determine if a preposition should be accusative or dative based on its use in the sentence. Let's break it down and take a look at each of these situations one by one.

How To Learn German Prepositions The Easy Way - I Will ...

German Prepositions Definition: Prepositions define relationships between words in the sentence. The case of the object is determined by the preposition, or by the preposition and how it is used. Certain prepositions have objects in only one case; accusative, dative, or even genitive.

German Prepositions - German Language Guide

In German, using prepositions is more complicated because of German's case system. The thing about German prepositions is that they affect the case of the noun that follows them. Which in many ways is great, because it stops you from having to worry about what function the noun is playing in the clause (Is it a direct object?)
