### Official Hyundai Motors Navigation Update Website

Over the past five years voice-enabled in-car GPS navigation has started to feature in new cars. Hyundai Motor drivers can receive voice recognition-supported GPS when using Apple CarPlay's Siri or Android Auto. These systems are more reliable, as they stay in the car and work as soon as the engine is switched on.

battery. When you use the navigation system, always keep the engine run-ning. • When the driver wants to operate the navigation system, first park the vehicle in a safe location and set the parking brake. Operating the system while driving can distract the driver and may result in a serious accident. • Do not disassemble or modify this system.
