Finally, just as the choice of journal notebook is a highly personal one, so is your writing schedule. You can write daily, or less often if you find the idea of daily writing to be daunting. Once you get into the habit of journal writing, the process will become easier. You'll find that the habit becomes ingrained-part of your daily routine.

Choose a journal or notebook to help you write up important notes or jot down exciting plans. Let your stationery reflect your personal style through minimalist metallics, maximalist prints or motivational slogans. Hardback styles are ideal for quickly making notes at work, while lightweight soft cover designs will slip into pockets for when inspiration strikes on the go.

For my daily logs I ' m using a subpage under the monthly log. (To create a subpage, you create a page first and then right-click and select " Make Subpage " from the menu that pops up.) Some people use a new page for each day ' s logs. For me that ' s excessive, but maybe it ' s what works for you.

[Get Organized with a Super-Simple OneNote Bullet Journal](#)

My suggestion is to create a new notebook that will be your journaling notebook. Within your journal notebook, there are two best practices: 1) Create a section for each year, or 2) create a section group of each year with a section for monthly entries and sections for general topics like finances, spiritual, and travel topics.
