9/17/2013. 0 Comments. In this original folktale, Death, in the form of a skeleton by the name of Señor Calavera, comes to collect Grandma Beetle, but Grandma Beetle is a sly woman. She repeatedly stalls Señor Calavera by telling him, "Just a minute," as she sweeps, cooks, and works the day away.

With words in both English and Spanish, a brightly illustrated counting book tells of one determined Grandma who is not willing to leave her family on her birthday and so sets out doing various tasks, like making two pots of tea and three pounds of corn for the tortillas, in order to delay Señor Calavera's request to go with him.

Lucha Libre champion Niño has no trouble fending off monstrous opponents, but when his little sisters awaken from their naps, he is in for a no-holds-barred wrestling match that will truly test his skills.

We are resilience. We are hope. We are dreamers. Yuyi Morales brought her hopes, her passion, her strength, and her stories with her, when she came to the United States in 1994 with her infant son. She left behind nearly everything she owned, but she didn't come empty-handed. your way in a new place, of navigating an unfamiliar world and finding the best parts of it. In dark times, it's a promise that you can make better tomorrows. This lovingly-illustrated picture book memoir looks at the myriad gifts migrantes bring with them when they leave their homes. It's a story about family. And it's a story to remind us that we are all dreamers, bringing our own strengths wherever we roam. Beautiful and powerful at any time but given particular urgency as the status of our own Dreamers becomes uncertain, this is a story that is both topical and timeless. The lyrical text is complemented by sumptuously detailed illustrations, rich in symbolism. Also included are a brief autobiographical essay about Yuyi's own experience, a list of books that inspired her (and still do), and a
