How to Research a Historical Fiction Novel | Gill Paul*Maria Callas Sacred Monster*

Maria Callas: Sacred Monster is the closest we shall get to an autobiography. In that last year she opened her heart to Galatopoulos. Since her death too many biographies have distorted her image beyond recognition and too many untruths have lain unchallenged for Galatopoulos to remain silent any longer.

Maria Callas is a biographer's dream. Born into poverty, she turned herself from an ugly duckling into a beautiful swan, and in the process became the most celebrated diva of the 20th century. She breathed life, drama, and passion into an art form that had hitherto remained the preserve of an intellectual elite, and was single-handedly responsible for turning opera from an arts-page sideshow to front-page news.
