Stories and reflections on the many lessons we learn from cats—about life, love, and our spiritual nature “The Karma of Cats is yet more proof that cats teach us to be better humans, and sometimes even save our lives. Read this book with a cat on your lap, then hand it to another biped in need of inspiration.” —Caroline Paul, author of *Lost Cat and The Gutsy Girl* “What I find most enticing about *The Karma of Cats* are the golden filaments of respect, delight, and appreciation that weave through the unique voice of each storyteller, these kindred spirits who—like ourselves—treasure the remarkable gifts bestowed upon us by our feline family members.” —Susan Chernak McElroy, author of *Why Buffalo Dance* There is nothing quite like the love of a cat. Both revered and feared throughout history, cats are unique in the mystical truths and practical lessons they share with us. In *The Karma of Cats*, spiritual teachers and writers reflect on the wisdom and gifts they’ve received from their feline friends—exploring themes of radical respect, unconditional love, our spiritual nature, and more. Loving companions and wild spirits, our feline friends have much to teach all who welcome them into their homes and hearts. With an introduction by Seane Corn and contributions by Alice Walker, Andrew Harvey, Biet Simkin, Brother David Steindl-Rast, Damien Echols,
