Never mind is most often spelled as two words—unless it is used as a noun. The closed (or hyphenated) noun form, nevermind, is dialectal and has the meaning of "interest," "concern," or "attention." It, like its conjunction cousin, is used in contexts implying indifference, disregard, or dismissal. That's no nevermind of yours.

Edward and Meg are like night and day. How could such different people be twins? Well, they are, but they don't have to like it -- or each other. For seventh grade, brainy Meg is attending ultra-competitive Fischer, while freewheeling Edward goes to an alternative school downtown. But it's just when they're finally out of each other's shadows that the trouble begins. Meg's aspirations for popularity and a boyfriend combine with Edward's devious planning and lack of singing ability to set off a showdown the likes of which twindom has never before seen. Why is this final showdown so much fun? Could it be that Meg and Edward are more alike than they thought?

Frank Teeman is leading a happy anonymous life in Manhattan painting the unusual images that get stuck in his mind. One day a wealthy doyenne spots a painting that hangs in the grocery store where he works and Frank's career takes off and his life is never the same. "Security is mostly superstition. It does not exist in nature, nor do the children of men as a whole experience it. Avoiding danger is no safer in the long run than outright exposure. Life is either a daring adventure, or nothing. To keep our faces toward change and behave like free spirits in the presence of fate is strength undefeatable." Helen Keller-Let Us Have Faith

NATIONAL BESTSELLER An Atlantic Magazine Best Book of the Year A Publishers Weekly Best Book of the Year "The Melrose Novels are a masterwork for the twenty-first century, written by one of the great prose stylists in England." —Alice Sebold, author of The Lovely Bones Soon to be a Showtime TV series starring Benedict Cumberbatch and Blythe Danner For more than twenty years, acclaimed author Edward St. Aubyn has chronicled the life of Patrick Melrose, painting an extraordinary portrait of the beleaguered and self-loathing world of privilege. This single volume collects the first four novels—Never Mind, Bad News, Some Hope, and Mother's Milk, a Man Booker finalist—to coincide with the publication of At Last, the final installment of this unique novel cycle. By turns harrowing and hilarious, these beautifully written novels dissect the English upper class as we follow Patrick Melrose's story from child abuse to heroin addiction and recovery. Never Mind, the first novel, unfolds over a day and an evening at the family's chateaux in the south of France, where the sadistic and terrifying figure of David Melrose dominates the lives of his five-year-old son, Patrick, and his rich and unhappy American mother, Eleanor. From abuse to addiction, the second novel, Bad News opens as the twenty-two-year-old Patrick sets off to collect his father's ashes from New York, where he will spend a drug-crazed twenty-four hours. And back in England, the third novel, Some Hope, offers a sober and clean Patrick the possibility of recovery. The fourth novel, the Booker-shortlisted Mother's Milk, returns to the family chateau, where Patrick, now married and a father himself, struggles with child rearing, adultery, his mother's desire for assisted suicide, and the loss of the family home to a New Age foundation. Edward St. Aubyn offers a window into a world of utter decadence, amorality, greed, snobbery, and cruelty—welcome to the declining British aristocracy.
