In this book, I wanted to include items from my personal archive that have played a part in my career over 60 years, to give the detail behind the detail. - Jimmy Page From his early days as a young session musician, through his years on the world stage with Led Zeppelin, to his solo work and collaborations, Jimmy Page has lived a spectacular life in music. Throughout it all he has amassed an extensive private archive of iconic guitars, stage costumes and personal ephemera. Now, in *The Anthology*, Jimmy Page is granting exclusive access to his archive for the first time, and telling the inside story of his phenomenal career. In the new text of over 70,000 words, Jimmy Page guides the reader through hundreds of rare items, many of which are unseen, others of mythic status, such as the Gibson double neck guitar, his dragon emblazoned suit, his white embroidered poppy suit, and the outfit worn in the concert film *The Song Remains the Same*. Also included are handwritten diaries, correspondence, rare vinyl pressings, previously unpublished photographs and much, much more. Created with his full participation, each piece has been individually selected by Jimmy Page, and photographed especially for the book. The result is *Jimmy Page: The Anthology*. Both reflective and revealing, it is quite simply the legendary musician's most comprehensive and fascinating account of his life to date.

This unique book brings together research and theorizing on human-animal relations, animal advocacy, and the factors underlying exploitative attitudes and behaviors towards animals. Why do we both love and exploit animals? Assembling some of the world ' s leading academics and with insights and experiences gleaned from those on the front lines of animal advocacy, this pioneering collection breaks new ground, synthesizing scientific perspectives and empirical findings. The authors show the complexities and paradoxes in human-animal

relations and reveal the factors shaping compassionate versus exploitative attitudes and behaviors towards animals. Exploring topical issues such as meat consumption, intensive farming, speciesism, and effective animal advocacy, this book demonstrates how we both value and devalue animals, how we can address animal suffering, and how our thinking about animals is connected to our thinking about human intergroup relations and the dehumanization of human groups. This is essential reading for students, scholars, and professionals in the social and behavioral sciences interested in human-animal relations, and will also strongly appeal to members of animal rights organizations, animal rights advocates, policy makers, and charity workers.

"Presents ancient and neo-Latin language phrases and conversations on a variety of topics. Includes pronunciation guide, bibliography, and English to Latin vocabulary. Expanded and enlarged from the 3rd edition (2003)"--Provided by publisher.

Comprehensive survey of the conductus over a period of more than one hundred years,

demonstrating how music and poetry interact.

Reflect on the Christmas Season with a Celebration of Virtue 1900 “ To be honest, to be kind--to earn a little and spend a little less, to make upon the whole a family happier for his presence....here is a task.. ” - Robert Louis Stevenson, A Christmas Sermon A Christmas Sermon is not necessarily a book about Christmas. In fact, it is a book that tries to educate the reader preaching the Christian values of morality, humility and kindness. It is also a book about how to approach the end of a year and the eve of a new one full of hope and optimism. ,This book has been professionally formatted for e-readers and contains a bonus book club leadership guide and discussion questions. We hope you ’ ll share this book with your friends, neighbors and colleagues and can ’ t wait to hear what you have to say about it.
