animals, the cow. To view a clip with Spanish subtitles, [click here](#).

### Sacred Cow

Sacred cow is an idiom, a figurative reference to cattle in religion and mythology. A figurative sacred cow is a figure of speech for something considered immune from question or criticism, especially unreasonably so. This idiom is thought to originate in American English, although similar or even identical idioms occur in many other languages.

### SACRED CHOW

Sacred cow is an idiom. It is an expression or phrase that is used without the literal meaning of being about a cow or religion. When spoken or written it means a person or a belief that has been respected for a long time. It has become sacred and people are then afraid or unwilling to criticise or question it.
