"Years before the landmark U.S. Supreme Court ruling *Brown v. Board of Education*, Sylvia Mendez, an eight-year-old girl of Mexican and Puerto Rican heritage, played an instrumental role in *Mendez v. Westminster*, the landmark desegregation case of 1946 in California"--

This charming book introduces one of the most popular artists of the twentieth century,

Diego Rivera, to young readers. It tells the story of Diego as a young, mischievous boy who demonstrated a clear passion for art and then went on to become one of the most famous painters in the world. Duncan Tonatiuh also prompts readers to think about what Diego would paint today. Just as Diego's murals depicted great historical events in Mexican culture or celebrated native peoples, if Diego were painting today, what would his artwork depict? How would his paintings reflect today's culture? *Diego Rivera: His World and Ours* is a wonderful introduction to this great artist. Praise for *Diego Rivera* «

“By establishing a link between modern readers and Rivera and challenging them to “make our own murals,” the author makes art both aspiration and action. Both solid introduction and exhortation, this book will thrill budding artists.” -Kirkus Reviews, starred review “Kids will want to talk about the great painter, and young artists will find inspiration for their own creations.”

The incredible story of one man’s fight for Mexican-American civil rights, from award-winning picture book creator Duncan Tonatiuh

A 2020 Pura Belpré Author Honor Book! José de la Luz Sáenz (Luz) believed in fighting for what was right. Though born in the United States, Luz often faced prejudice because of his Mexican heritage. Determined to help his community, even in the face of discrimination, he taught school-children during the day and adults in the evenings. When World War I broke out, Luz joined the army, as did many others. His ability to quickly learn languages made him an invaluable member of the Intelligence Office in Europe. However, Luz found that prejudice followed him even to war, and despite his

efforts, he often didn't receive credit for his contributions. Upon returning home to Texas, he joined with other Mexican American veterans to create the League of United Latin American Citizens (LULAC), which today is the largest and oldest Latinx civil rights organization. Using his signature illustration style and Luz's diary entries from the war, award-winning author and illustrator Duncan Tonatiuh tells the story of a Mexican American war hero and his fight for equality.

reflections, stories, and poems from ten of today's most accomplished writers for children, all young people themselves at the time of the Brown v. Board of Education decision.

The inspiring story of one of the greatest moments in civil rights history seen through the eyes of four young people at the center of the action. The 1963 Birmingham Children's March was a turning point in American history. In the streets of Birmingham, Alabama, the fight for civil rights lay in the hands of children like Audrey Hendricks,

Wash Booker, James Stewart, and Arnetta Streeter. *We've Got a Job* tells the little-known story of the 4,000 black elementary, middle, and high school students who voluntarily went to jail between May 2 and May 11, 1963. The children succeeded—where adults had failed—in desegregating one of the most racially violent cities in America. By combining in-depth, one-on-one interviews and extensive research, author Cynthia Levinson recreates the events of the Birmingham Children's March from a new and very personal perspective.

Some civil rights figures are household names, while others struggle to get their stories told. This biography details the life and activism of Sylvia Mendez, who helped desegregate California schools in the 1940s in the landmark federal case, *Mendez v. Westminster*. Latino students, scholars of social justice, and anyone who is inspired by underdog stories will find this highly engaging account of change compelling and informative, including its helpful timeline and historical imagery. Students will be engaged and inspired by a story that has gotten its due as more than a mere historical

In this allegorical picture book, a young rabbit named Pancho eagerly awaits his papa's return. Papa Rabbit traveled north two years ago to find work in the great carrot and lettuce fields to earn money for his family. When Papa does not return, Pancho sets out to find him. He packs Papa's favorite meal—mole, rice and beans, a heap of warm tortillas, and a jug of aguamiel—and heads north. He meets a coyote, who offers to help Pancho in exchange for some of Papa's food. They travel together until the food is gone and the coyote decides

Duncan Tonatiuh brings to light the hardship and struggles faced by thousands of families who seek to make better lives for themselves and their children by illegally crossing the border. Praise for Pancho Rabbit and the Coyote STARRED REVIEWS "Tonatiuh's great strength is in the text. No word is wasted, as each emotion is clearly and poignantly expressed. The rabbits' future is unknown, but their love and faith in each other sustains them through it all. An incandescent, humane and terribly necessary addition to the immigrant-story shelf." —Kirkus Reviews, starred review "In both prose and art, Tonatiuh expertly balances folkloric elements with stark, modern realities; Pancho Rabbit's trip has the feel of a classic fable or fairy tale, with the untrustworthy coyote demanding more and more of him." —Publishers Weekly, starred review "The book shows the fragility of making a living, the desperation that many migrants experience, and the deep family ties

Classrooms studying the migrant experience will find plenty to discuss here." –School Library Journal "This will spark strong responses and needed discussion." –Booklist "Tonatiuh is so careful in weaving his allegory that his empathetic contemporary tale feels like age-old folklore, with simple but compelling text and a step-by-step escalation of the story through gripping, kid-understandable challenges." –The Bulletin of the Center for Children's Books Awards Pura Belpré Author and Illustrator Honor book 2014 New York Public Library's annual Children's Books

When she was only eight years old, Sylvia Mendez was part of a legal battle that ended segregation for Hispanic students in California. Seven years later, that barrier-breaking court case set a precedent for ending segregation across the country for

students of all races and backgrounds. With this biography, readers will learn how Sylvia Mendez's parents fought for Hispanic students in California, how Mendez herself persevered through court cases and harassment at her new school, and how she is fighting for students today. Popoca, promised to be true to her and stay always by her side, Izta fell in love. The emperor promised Popoca if he could defeat their enemy Jaguar Claw, then Popoca and Izta could wed. When Popoca was near to defeating Jaguar Claw, his opponent sent a messenger to Izta saying Popoca was dead. Izta fell into a deep sleep and, upon his return, even Popoca could not wake her. As promised Popoca stayed by her side. So two volcanoes were formed: Iztaccíhuatl, who continues to sleep, and Popocatépetl, who spews ash and smoke, trying to wake his love.
