Sessions with Sinatra by Charles Granata is one of the best books on music, and recording, that I have ever read. Mr. Granata has a rich vein to mine in his subject, which is Frank Sinatra in the recording studio. The author's deft writing and deep research make it great fun to hang with one of the world's greatest recording artists as he created his timeless works.

The essential book about Sinatra's recording sessions. Having witnessed it first-hand in 1960, when I was personally invited by Neal Hefti to attend two nights of Sinatra recording the album, "Sinatra and Brass." Those were the two most magical evenings of my life.
