A Concise History of Bosnia integrates the political, economic and cultural history of this fascinating, beautiful, but much misunderstood country. Drawing on a wide range of primary and secondary literature, this objective and engaging history covers developments in the region up to the present day and offers an accessible interpretation of an often contested and controversial history.

'Merry Wiesner-Hanks' A Concise History of the World is a unique and fascinating exploration of the world from early human history to the present. Unlike other texts that tend to be dominated by political and economic narratives, [this book] takes social and cultural issues - particularly those focused on gender, the family, sexuality, and material culture - as its primary focus.
