their lives.

Genealogy Centre - Glasgow City Council

As there are over 100 parishes in the City of London alone as well as the large parishes in Middlesex including Westminster, where a marriage may have taken place you might consider looking for the name in the Pallot Marriage Index - the most comprehensive finding aids for marriages in this area, mostly for the period from 1800-1837 but often earlier.

London genealogy - Society of Genealogists

The basic city directory can help you locate an individual in a specific time period.

When you know your ancestors' addresses, it can be fun to drive by and look at their old homes. In some city directories you can also find information such as children's names, marriage dates, death dates, and birth dates.

All about directories - Genealogy.com

Genealogy (from Greek:

genealogia "the making of a pedigree") is the study of families, family history, and the tracing of their lineages. Genealogists use oral interviews, historical records, genetic analysis, and other records to obtain information about a family and to demonstrate kinship and pedigrees of its members. The results are often displayed in charts or written ...

Family history - The British Library

Family history is much more than finding dates of life events, it is about learning about the lives of our ancestors and what their circumstances were. For instance, the book Ireland 's Welcome to the Stranger has proved very informative to many who wished to understand why their ancestors left Ireland in the mid-nineteenth century to make a new life for themselves in North America.

Irish Genealogy - Library Ireland

A gazetteer is a dictionary of place names. Gazetteers may describe towns and villages, parishes and counties, states and provinces, rivers and mountains, and other geographical features. They usually include only the names of places that existed at the time the gazetteer was published, but may
