The powerful research reported in The Orange Revolution reveals that the true driver of exceptional success for great companies is not a genius CEO. Breakthrough success is driven by a particular breed of breakthrough team that generates its own momentum—a harmonious group of colleagues in the trenches, working passionately together to pursue a shared vision and leading their whole company to a new level.

"The Orange Revolution: how one great team can transform an entire organization" is the equivalent of a self-help book for a dysfunctional work team environment in need of repair. Since so much success in non-profits depends on a team rather than any single individual effort, I thought it would make for a good read as my site transitions into new leadership and considers restructuring departments.

In the runoff the following month, Yanukovych
was declared the winner, though Yushchenko's
supporters charged fraud and staged mass
protests that came to be known as the Orange
Revolution. Protestors clad in orange,
Yushchenko's campaign colour, took to the
streets, and the country endured nearly two
weeks of demonstrations. Yanukovych's
supporters in the east threatened to secede
from Ukraine if the results were annulled.
