Blessed Padre Pio, humble peasant and world-famous stigmatist, spoke simple words of Christian encouragement and inspiration to all who approached him seeking counsel. This biographical sketch and collection of memorable sayings is a compact and accessible introduction to the life and message of one of the great religious figures of the 20th century.

Life doesn't look like it's supposed to for Dani Ruiz, a hopeless romantic. After a painful and sudden break-up with Rick Marin, Dani hides away from reality, retreating to a world of fiction where she prefers book boyfriends over the hassles of a relationship. Almost two years later, Dani's friends are tired of watching her in a holding pattern, so they stage an intervention, forcing her back into the real world of dating. Unexpectedly, Dani meets Liam Lucas, a down-to-earth firefighter. He might be the person to show her she's still worth something. Dani's hesitant to trust her heart with another man, but their instant and electric chemistry is something she can't deny. As Dani starts to believe that she's found her real-life book boyfriend, Rick decides that he'll go to any lengths to get her back. Seeing Rick as a changed man makes Dani question everything. Can Dani trust her patched-up heart with Liam? Or has Rick transformed into the man she's always wanted? Written from various points of views, *The Do Over* is a story of second chances and new beginnings.

Suzette Troche-Stapp, "the glitterguru", one of the most successful and sought-after photographers/digital artists today, has written the book she wishes had existed when she started working professionally. Here, she divulges her secrets culled from years of producing commercial digital art, from how to think about images, setting up images at photo shoots, retouching secrets, to composing an entire business package. She covers the entire process of image creation and development from start to finish (from concept to cool!). Reading this book is like shadowing Suzette throughout her career -- both from an art and business perspective. If you're on a professional path with Photoshop -- whether just starting or already on your way -- this book will inspire and educate you. The book is geared toward both photographers and digital artists and is chock-full of all the gems Suzette has learned along the way. Suzette's spunk combined with the eye-catching images and design make this book as fun and visually appealing as it is practical. Check out the sample material and you'll get the idea. *glittergure on Photoshop: From Concept to Cool* was the Winner of the Designer's Bookshelf award for Most Exciting New Photoshop Book

Scott Thompson, guitarist for multi-platinum-selling metal band *Flesh Hook*, has always been addicted to the adrenaline rush: drag racing, motocross, big game hunts in the African floodplains. He's broken bones, nearly died of exposure, and seared half his leg in a wreck. Nearing forty, he's finding it harder to feed the thrill. Enter *The Company*, an organization specializing in custom adventure rides--the kind where you sign a waiver absolving them of everything short of death before you get on. Company redneck Johnny Lee loves his job, and he's damned good at it. He's run rides for politicians, celebrities, CEOs and trust-fund kids and never broken character or had a complaint. He expects the Thompson ride to be more of the same--another rock star, this one so full of himself he's signed up for 48 hours, an unprecedented amount of time on the *Deliverance* set. Rock stars break easily, though, especially the full-of-themselves kind. Everyone breaks more easily than they expect. Even Johnny Lee. (*Roughing It* is a novella featuring kidnapping and m/m and m/m/m consensual rough sex.)

Life on some of the most attractive Caribbean islands isn't as glamorous as visitors would perceive. For young girls growing up in many areas of the Caribbean, life is a constant struggle with little hope of advancement or success. Such is the story of Marcia and her rise from an impoverished schoolgirl living with her grandparents to dating one of the richest and most eligible bachelors on her island. Follow along on a moving journey as Marcia details her family life, or lack thereof, educational opportunities, the adventures in coming of age, and how drug dealers and illegal activities are revered as successful in her community. Follow her plans for a better life and the story of how she met her first true love. A truly enlightening journey into the status of young women in the Caribbean, and the methods many take to live the life of their dreams and fulfill educational desires with very little support.
